Storage humidity: 10% to 90% RH, non-condensing

Resolution

1080p (1920 by 1080)

Color Depth

32 Bit True Color

Interface

HDMI
USB OTG
Mini USB

Size

8.8 * 3.5 * 1.2cm

Power

DC 5V/2A

Weight

40g

■ Kiosk Mode

Kiosk Mode prevents visitors from quiting your demo application.
You can choose to run any app in Kiosk Mode as you like, such as
browser, maps, ticket system, wayfinders, traveller's guide, music
apps, etc.
iStick is exclusively tailored for digital signage, all you need is to get
your content ready.
