Storage humidity: 10% to 90% RH, non-condensing

Resolution

1080p (video output)
720p (desktop output)

Color Depth

32 Bit True Color

Interface

HDMI
USB OTG
Mini USB

Size

9.8 * 3.75 * 1.55cm

Power

DC 5V/2A

Weight

36g

■ Kiosk Mode

Kiosk Mode prevents visitors from quitting your demo application. You can choose to run any app in Kiosk Mode as you like, such as browser, maps, ticket system, wayfinders, traveller's guide, music apps, etc. iStick is exclusively tailored for digital signage, all you need is to get your content ready.
